PROFESSIONAL SUMMARY

Enthusiastic and detail-oriented Web Developer with hands-on experience in creating dynamic and responsive web applications. Skilled in React.js, JavaScript, and Next.js. Strong problem-solving abilities and a team player in agile environments. Committed to delivering clean, user-friendly, and efficient code.

WORK EXPERIENCE

Growth Analyst – Baly

Aug 2024 – Feb 2025

- **Data Analysis and Reporting**: Collected and analyzed user data, identifying trends in customer behavior to drive growth strategies for app engagement and retention.

- **Customer Segmentation**: Developed insights into customer segments based on usage patterns, preferences, and demographics to personalize marketing campaigns and improve customer lifetime value.

- **Campaign Performance Tracking**: Monitored the effectiveness of marketing campaigns across channels (e.g., push notifications, in-app ads), optimizing strategies based on conversion and retention metrics.

- **Competitor and Market Analysis**: Analyzed competitor strategies and market trends, providing insights to inform new product offerings and growth tactics.

Operations Department – Baly

Mar 2024 – Aug 2024

- **Data Management:** Organized, maintained, and analyzed data to support operational efficiency.
- **Process Improvement:** Streamlined data handling procedures, reducing processing time and improving accuracy.
- **Cross-Departmental Collaboration:** Worked closely with other departments to ensure accurate and timely data reporting.

EDUCATION

Bachelor's in Business Administration

Al-Mamoun University, Baghdad
